

CAMBRIDGE'S ENERVAC WINS PRESTIGIOUS ONTARIO BUSINESS AWARD

Toronto - Enervac Corporation has been named one of 12 provincial winners of the Ontario Business Achievement Awards (OBAA) and the Ontario Global Traders Awards (OGTA) by the Ontario Chamber of Commerce.

"Ontario is a world leader in innovation and technology and it is essential that we recognize the companies that have brought the province to the world stage," says Len Crispino, President and CEO of the OCC. "But not only are they creating much-needed jobs in communities throughout the province, they're also providing solutions to global problems. Enervac's unique recovery system for transformer oil provides an opportunity to dramatically reduce our impact on the environment while confirming that green initiatives also make good business sense."

Enervac Corporation will receive the Gold prize in the OGTA HSBC Award for Innovation - Exports category.

"The Ontario Chamber of Commerce - 2009 Gold Medal - OGTA HSBC Award for Innovation is an extremely proud accomplishment for the team at Enervac Corporation," says President Anthony Guglielmi. "For over 31 years, Enervac Corporation has expanded its global presence from our headquarters in Cambridge, Ontario and become the world leader in mineral oil purification. Enervac is proud to be a part of the Ontario business community and would like to thank the Ontario Chamber of Commerce for this prestigious award."

The following are some of the reasons why Enervac Corporation was chosen for the award:

- Development of the Enervac E575R Transformer Oil Regeneration System which restores used degraded transformer oil to extend its lifespan to over 100 years
- Environmentally friendly process which eliminates disposal of oily byproducts
- Vertical integration of engineering, design and manufacture of equipment at Cambridge plant
- Innovative control and troubleshooting technology
- Export growth to ten key markets

The OGTA HSBC Award for Innovation - Exports award will be one of six categories presented. The remaining are: the OBAA RBC Royal Bank Award for Small Business, the Desjardins Award for Large Business, the OGTA Market Expansion Award (Product or Service), the Corporate Governance Award, and the Innovation Technology Award. OGTA categories have gold, silver and bronze sub-category winners.

Awards will be presented at a gala event which will to be attended by approximately 1,000 business and political leaders at the Metro Toronto Convention Centre on Wednesday, November 25th, hosted by CBC's Dragons' Den co-stars Arlene Dickinson and Kevin O'Leary.
